Radford Semele Parish Council Environment report – November 2026

Stagecoach meeting

There is still no new date for this meeting.

The Valley flood ditch

Balfour Beatty came out to clean the ditch in The Valley and Valley Rd on 2nd November; unfortunately they were unable to carry out most of the work due to the bank being too high for their digger. Joe Northorpe has confirmed that they will return to complete the work (no date has been confirmed).

Local Biodiversity Action Plan

Update on the replacement trees for the Cricketers estate to be provided at the meeting.

Wildflower meadow on the playing field

The PC made the decision not to collaborate with Warwickshire Wildlife Trust in planting plug plants/wildflower seeds on the playing field meadow due to the restrictive content of the landowner agreement. I will explore how much the project would cost should we wish to fund the planting ourselves (to take place in the spring).

Playing field hedge

The hedge will be trimmed back during late December to keep it healthy and stop it growing too high.

The Community Telephone Box

St Nicholas Church will be decorating the telephone box during December to celebrate the Christmas story.

FoRGE activities

Footpath Group

The group is due to meet up again in December.

Cllr Josie Sanderson
