

Radford Semele Parish Council Environment report – February 2026

Maintenance of the ditch in The Valley & Valley Road

WCC Highways has confirmed that they will flush through the ditch and the culverts in The Valley and Valley Road as soon as they have the available personnel to carry out the work.

Wildflower meadow & hedge on the playing field

I have let Warwickshire Wildlife Trust know that we will be letting the meadow return to grass for the time being. I will contact Duane Wagstaff to let him know.

Stagecoach meeting

Matt Western has organised a meeting on March 5th to discuss ways to improve Radford Semele's local bus service. Also in attendance will be Judy Steele (FoRGE) and the Managing Director of Stagecoach. I will attend on behalf of the PC.

Elm trees on the playing field

The two trees have now arrived and will be planted on the playing field (to replace the Ash dieback trees) during the next few weeks.

Telephone Box

The Art Club has curated a lovely exhibition during February. Easter celebration during March/April tbc.

Village Newsletter

The next edition of the newsletter will be ready for distribution in late March.

FoRGE activities

Footpath Group

Will meet up again on 28th February.
