

Radford Semele Parish Council Environment report – April 2026

Stagecoach meeting

There is still no new date for this meeting.

Telephone Box

The box will be curated by FoRGE during the month of May – the group will be celebrating their tenth anniversary.

The Valley flood ditch

Any remaining vegetation in the ditch has now been cleared (particularly the section leading to Tinkers Close) in preparation for WCC's visit. They haven't been in touch with a date yet so I will continue to chase this up.

Local Biodiversity Action Plan

During the next couple of months I will start to develop a biodiversity action plan using the WCC template. This will help us to be aware of what we do well, and highlight areas that we may want to improve.

FoRGE activities

Footpath Group

Will meet up again on 25th April.

Annual village plant sale

Will begin on May 16th at the Baptist Church

FoRGE AGM

Will be held in the Baptist Church on 23rd April.
