

Radford Semele Parish Council Environment report – July 2026

Stagecoach meeting

There is still no new date for this meeting.

The Valley flood ditch

I have chased Joe Northorpe again to request an autumn date for cleaning the ditch and culverts in The Valley/Valley Road.

Local Biodiversity Action Plan

Still no reply from Helen Hancox regarding the adoption of The Cricketers estate and the replacement trees.

Wildflower meadow on the playing field

I am going to approach Warwickshire Wildlife Trust to see whether they are able to supply plug plants for autumn planting in selected areas of the wildflower meadow.

Oak tree on the playing field

Ivy on the oak tree: members of FoRGE have requested that the ivy is cut to only half way on the trunk rather than completely removed so that we can retain all the benefits to biodiversity that the ivy offers.

The Community Telephone Box

Canalside Community Food made a creative exhibition for the box during July featuring knitted and fabric vegetables. Rainbows and Brownies will be curating the box during August.

Town & Parish Reference Group meeting – 15th July

Cancelled due to the speaker being called away.

Community Climate & Nature Fund

[Community Climate and Nature Fund - Warwick District Council.](#)

This may be an excellent funding opportunity for the village, e.g. solar panels on the Community Hall roof. Needs further discussion.

FoRGE activities

Footpath Group

Footpath 123 at the back of Overtons Close was cleared during July.

Cllr Josie Sanderson
