

Radford Semele Parish Council Environment report – September 2026

Stagecoach meeting

There is still no new date for this meeting.

The Valley flood ditch

Joe Northorpe has confirmed that the ditch will be cleaned between 2nd – 5th October.

Village pond maintenance

Warwickshire Conservation Volunteers carried out their annual clearance of excess vegetation in the village pond and cut back the Leigh Fosse permissive path on 16th September.

Local Biodiversity Action Plan

I have sent another email to Helen Hancox regarding the replacement of the dead trees on The Cricketers estate.

Wildflower meadow on the playing field

Olivia Williams from Warwickshire Wildlife Trust came to the village to review the wildflower area with Judy Steele (FoRGE) and me; she confirmed that WkWT will supply us with suitable plug plants to increase the flowers in the meadow, with planting taking place in the spring.

The Community Telephone Box

Canalside Community Food made a creative exhibition for the box during July featuring knitted and fabric vegetables. Rainbows and Brownies decorated the box beautifully for August, with a summer seaside theme. We're hoping to have a scarecrow in the box for the October Sunbeams Scarecrow Festival.

FoRGE activities

Footpath Group

Footpaths 121 and 122a were cleared during August (including removing a fallen tree).

Cllr Josie Sanderson
